Trading and Investing in Africa

National, regional and international investors in Africa are always looking for opportunities to partner and collaborate with new opportunities in their respective industries and markets. Corporate Africa since 1994 has lead the field spearheading investments across African industries and matching service providers targeting Africa with investors. Corporate Africa achieves its objectives through its interactive publications, conferences, seminars, exhibitions and behind closed doors meetings.

Corporate Africa is committed to economic development in Africa, matching opportunities across the region's economies with investors' resources. Corporate Africa targets organisations with technologies and services that are capable of adding value to assets and capital entering the region's growing markets and expanding infrastructure. Companies completing this Questionnaire receive first information about Corporate Africa's editorial agendas, and one year free subscription to Corporate Africa digital titles.

Please complete then e mail this form to pauline@corporate-africa.com or fax back to + 44 207 089 8831. Completion also qualifies you to receive One Year Free subscription to Corporate Arica Magazine and preferred access to Corporate Africa Conferences and Workshops.
